

GUN CONTROL

Do you know your history? Do you know why the British were marching toward Lexington and Concord? It was because they wanted to destroy the arms and ammunition stockpiled by American militias in Concord. Oppressive governments always want their "subjects" disarmed. They are easier to control. Fast forward to 2017. Do you see a pattern here? Be careful for what you buy into. Once disarmed, the remainder of your rights will be debated also.

REMEMBER IT'S NOT JUST ABOUT GUN CONTROL IT DOES HAVE EVERYTHING TO DO WITH CONTROL. BROUGHT TO YOU BY YOUR FRIENDS AT SENECA COUNTY S.C.O.P.E.
