THE SENECA COUNTY AREA SHOPPER IS PRIMARILY IN THE BUSINESS OF PUBLISHING ADVERTISING AND COMMUNITY INFORMATION. However, from time to time we are asked to publish ads expressing political views. As a beneficiary of the great tradition of the First Amendment, we encourage the expression of opinion and therefore do not discriminate based on the content of those opinions. Neither do we adopt or endorse these opinions. On occasion, these opinions may be in questionable taste or may even provoke offense. As long time residents and business owners, we regret when our publication causes hard feelings among our neighbors. However, we take our First Amendment responsibilities seriously and we will continue to provide a forum for the expression of opinion. We encourage our clients to maintain civil discourse and respect for differing views especially when discussing issues of particular sensitivity. We hope that our friends and customers can respect our position.
