Interlaken Historical Society Presents: Famous Fires of Seneca County
Monday, January 27, 2025
7:00PM | Covert Municipal Building

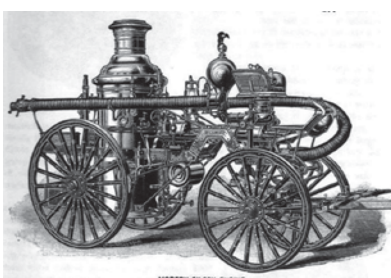

The history of firefighting in Seneca County is also the history of firefighting in New York. From using fire rattles in New Amsterdam to the Silsby pumper produced in Seneca Falls and used nationwide until World War II, Seneca County has been on the forefront of protecting Americans from the threat of fires.

Our speaker for the evening is Pam Becker, recently appointed Seneca County Historian. She was appointed in early 2024, following longtime historian, Walter Gable.

She was born and raised in Seneca County. Pam taught history for 20 years at Mynderse Academy in Seneca Falls. Upon retirement, she spent 5 years working as an archivist and docent for the Waterloo Library and Historical Society.

The program will be held in the Town of Covert Municipal Building, 8469 Main St. Interlaken. The room is handicapped accessible. We will also be live streaming the program, or you can view it on our YouTube channel, check the website: <https://interlakenhistoricalsociety.org/>
