ALICE MARY HOLTKAMP passed away March 31st at her home enveloped in the love of her four children. She wanted to reach the age

of 101 but was just short.

Born May 17, 1924 at the Stork's Nest Hospital in Los Angeles, CA, she graduated from the University of Southern California Nursing School in 1947. There, she met and married the love of her life, William H. Holtkamp of Trumansburg, where they owned and operated the Cayuga Inn. Alice was

the creative force behind the menu at the restaurant and spent many long, hard hours working alongside her husband. They took a break from the restaurant to make two trips to Northern Europe to explore their roots and visit relatives.

Alice's true passions were her children, nature, the creative arts, and helping others. She had an amazing talent for being able to fix anything from a broken toy train to an orphaned duckling. After caring for her husband during his fight with ALS, she devoted her time to her family, friends, gardens, pets, the Ulysses Historical Society and the Lifelong Gift shop. Alice received the President's Volunteer Service Award from George

Alice left this world with a legacy of kindness, warmth, generosity, strength and subtle wit. She is predeceased by her husband William H. Holtkamp; and her granddaughter Katrina

Alice is survived by her four children, Julianne Farnsworth, Christine Holtkamp, William G. Holtkamp, and George Holtkamp; 4 grandchildren; and 7 great grandchildren.

A private memorial service will be held on April 19th at Grove Cemetery. Donations in her name can be made to the Tompkins County SPCA, 1640 Hanshaw Road, Ithaca, New York 14850.

It is with heavy hearts that we

announce the passing of COLETTE LEANN AMAN, age 59, on Friday, March 28, 2025. A native of Interlaken, New York, Colette was born on Friday, October 29, 1965, to the parents of Emily and Max Aman. Colette is survived by her children Sam (Sinead) Warren, Summer Furman; parent, Emily Aman; siblings, Todd (Diane) Aman, Michelle (Al) Varian, Chris (Lisa) Aman, Eric (Kelly) Aman, Bryce (Jackie) Aman; and several extended family members and friends.

Colette was preceded in death by her father, Max Aman.

Colette loved capturing precious moments of her family. She treasured these memories and collected them in photo albums, preserving the stories of her loved ones for generations to come. Her home was always filled with warmth, the walls were adorned with these photos, each one telling a story of life, love, and laughter. The love Colette had for her children was unconditional. They

were the center of her world, and the devotion she had for them was the driving force of her life. She took great joy in them, always boasting about their accomplishments with a heart full of pride. She saw their successes as her own and found happiness in watching them grow. Colette's strength, determination, and deep love for her family will forever be remembered.

A Celebration of Life for Colette will take place on Saturday, April 26, 2025, from 1pm – 4pm at the Interlaken Sportsman's Club (8561 Tunison Road, Interlaken, NY 14847). Those wishing to pay their respects are welcome to join and share their favorite memories of Colette, as we gather to honor her in this Celebration of Life.

### **New Vending Machine in Ovid** Offers Harm Reduction Supplies

The Seneca County Substance Abuse Coalition-SCSAC-in collaboration with the Seneca County Health Department and Seneca County Mental Health Departments, is excited to announce the availability of free harm reduction supplies in the south end of Seneca County. The temperature-controlled vending machine, available 24/7, was provided through a grant with MATTERS Network. The machine, located in front of the Carquest Auto Parts at 7157 Main Street in Ovid, offers Narcan (nasal spray) as well as fentanyl and xylazine testing strips. Safe sex kits from Finger Lakes Community

Health are also available with information about sexually transmitted infections and birth control supplies.

This is the second vending machine provided by the Seneca County Substance Abuse Coalition. A retro-fitted machine has been available at the Seneca County House of Concern, in Waterloo for a year and has been well-utilized by community members.

Karen Burcroff, Seneca County Substance Abuse Coalition Project Director, noted that education within the community around the deadly dangers of fake pills has sparked interest in having Narcan on hand to help save lives. "The prevalence of fentanyl in fake pills is a really scary idea and we want to be sure our community is equipped to react. Just like CPR and first aid training, Narcan is a tool that can save lives.

The community is reminded to only consume medication that has been provided by a doctor's office or pharmacy as 5 out of 10 pills purchased on the street test positive for lethal amounts of fentanyl. "There are many different faces to today's opioid epidemic...not just those who are struggling with addiction. We also have young people experimenting at parties with unknown pills, and seniors who forget that they already took their medications.'

For more information or to receive a free lock box to secure medication and cannabis edibles,, contact the Seneca County Public Health or Mental Health Departments, or The United Way of Seneca County at 315-539-1135.
