Obituary

SEYMOUR L. ROARKE JR. of Interlaken passed away on August 28, 2026, at the age of 73. Born on May 13, 1953, Seymour was a son of the late Seymour and Thelma (Bergenstock) Roarke Sr. For more than 20 years, Seymour worked at Millspaugh Brothers in Trumansburg, where he specialized in the paint department. Over time, he became known not only for that expertise, but also for helping with a little bit of everything. His strong work ethic was a defining part of who he was, and he was someone who was always working, always ready to lend a hand, and was well liked by everyone who knew him. He built his life around steady effort, practical skill, and a willingness to help wherever he was needed. Outside of work, Seymour enjoyed hiking in the Adirondacks and took pleasure in woodworking, lawn mowers, and trains. These interests reflected his appreciation for both the outdoors and the satisfaction of working with his hands. Seymour is survived by his wife, Pearl Roarke; children, Carl Roarke and Thelma (David) Johnson; granddaughter, Samantha (Roger Crawl) Johnson; great grandson, Broady; brother in law, Paul (Sue) Scott; sister in law, Sandy (Bob) Malkovsky; and numerous nieces and nephews. In addition to his parents, he was preceded in death by his grandmother, Dora Bergenstock; brother in law, Bob Scott; sister in law, Beverly (Bob) Lethbridge; and uncle, Claire Bergenstock. A Celebration of his Life will be held at the Interlaken Sportman's Club, 8561 Tunison Road on Saturday, September 5th from 1:00pm to 5:00pm.

Help us give homeless dogs a home!

Charlie’s Dog Haven, Inc. is asking our community for help!

We are looking for a donated parcel of land (approx. 1 acre) in Seneca County to establish a permanent home for Charlie’s Dog Haven, Inc., a nonprofit organization dedicated to helping homeless, abandoned, and unwanted dogs.

Our dream is to build a safe, compassionate shelter where dogs can receive proper care, rehabilitation, and a second chance at finding loving forever homes.

WE ARE ASKING OUR COMMUNITY:

Does someone have approximately 1 acre of land they would consider donating to Charlie’s Dog Haven, Inc.?

Your donation could make an incredible, lasting difference in the lives of dogs in our community.

A CHARITABLE GIFT WITH POTENTIAL TAX BENEFITS

A qualifying donation of real estate to a charitable organization may provide the donor with a potential charitable tax deduction. The tax benefits can vary depending on the donor’s individual circumstances, the property, and applicable tax laws. Donors should consult their own tax professional for advice regarding their specific situation.

YOUR LAND COULD BECOME THEIR SECOND CHANCE.

With your help, we can create a permanent shelter for dogs who have nowhere else to go-and provide a valuable resource for our community for years to come.

If you or someone you know may be willing to donate approximately 1 acre of land, please contact us.

Charlie’s Dog Haven, Inc.
Giving homeless dogs a safe place to land.

Contact: April Moore, 607-857-5643 or email: amoores271@gmail.com
All potential properties will be considered based on zoning, accessibility, utilities, and suitability for a dog shelter.

THE IDITAROD: SOME INTERESTING FACTS ABOUT THIS HISTORIC RACE.

WE ARE NOT ACCEPTING NEW CLIENTS OR ADMITTING FORMER CLIENTS WHO HAVE NOT BEEN INTO THE PRACTICE IN THE LAST THREE YEARS!

(Reprint) As I write this article on a dreary, rainy Monday March morning, dog sled mushers and their teams of huskies are beginning the third day of Alaska’s 37th Annual Iditarod. The race, which pits man and dog against raw mother nature in all of her splendid majesty and brutal, unforgiving fury, is considered by many to be truly “The Last Great Race on Earth.” In honor of this historic event, my wife suggested I forgo my usual worn out blather about rabies shots and worming and ticks and fleas etc., and share a few of the things I know about the Iditarod.

The annual Iditarod race takes place between the Alaskan cities of Anchorage and Nome. This year’s race has 67 teams, with each team consisting of 12 - 16 dogs and their sled driver (mushers.) The southern route of the Iditarod Trail being run this year is 1131 miles long. The trail is divided into 27 checkpoints and the race is expected to take between 10 and 17 days.

Although the Iditarod Trail had been used by Native American peoples for hundreds of years before the arrival of Russian settlers in the 1800’s, the present day race actually commemorates a fairly recent event. In early 1925, a deadly diphtheria outbreak occurred in the northern Bering Sea coastal city of Nome. On February 2 of that year, a musher named Gunnarnd Kaasen and his team of huskies guided by his lead dog, Balto, became the first of several lifesaving missions to deliver diphtheria antitoxin to the disease-stricken city. (As a point of interest, in Central Park in the great city of New York, there is supposed to be a bronze statue of Balto—which I have not seen— inscribed as follows: “Dedicated to the indomitable spirit of the sled dogs that relayed antitoxin six hundred miles over rough ice, across treacherous waters, through Arctic blizzards from Nenana to the relief of a stricken Nome in the winter of 1925. Endurance—fidelity— intelligence.”

The fastest time for completing the race was set in 2002 by a musher named Martin Buserand and his lead dog named Bronson. The time was 8 days, 22 hours, 46 minutes, and two seconds. A prize called The Red Lantern Award is bestowed every year upon the last place finisher. The record time for this prize was set in 1973 was 32 days, 15 hours, 9 minutes and 1 second.

The first official Iditarod Trail Race was run in 1973. Prior to this, sled dog racing had a long and popular history within the state. One of the more popular of these races was called the All-Alaska Sweepstakes. It was at this event in 1910 that saw the introduction of the first Siberian husky dog to Alaska. Prior to this, the primary breed used was the Alaskan malamute.

The word “husky” takes its name from the derogatory term “Eskie” which was used to refer to all of the Native Eskimo peoples living all over the Arctic. The word “Siberian” refers to the land of Siberia, presently Northeastern Russia. It is believed by some archeologists that the predecessors of the modern Siberian husky breed helped the early settlers of our continent crossover the land bridge formed between North American and Asia during the last ice age.

Finally, and this is something I had to look up this morning on Wikipedia, the term mushing refers to any form of transport that’s powered by dogs. It is believed that the term has as its origin the French word “marche” which means to go or to run. A person who directs this form of transport is a “musher.” Although I’m told that the command is seldom used in proper dogsledding circles anymore, children of all ages will forever remember the endearing word “mush” as bellowed out by old Yukon Cornelius in the Christmas movie classic, Rudolph the Red-Nosed Reindeer as he tried, mostly unsuccessfully, to get his unruly team of sled dogs to move.

Waterloo Library & Historical Society to Host Lecture on Maple Grove Speedway History

WATERLOO, NY — The Waterloo Library & Historical Society will present **"Half-Mile Thunder: The Story of Fairground Racing at Maple Grove Speedway in Waterloo, New York,"** on **Monday, September 21, at 6:30 p.m.** in Fatzinger Hall.

The evening will explore the history of Maple Grove Speedway, the famed half-mile dirt track that operated at the Seneca County Fairgrounds and became one of New York's premier racing venues during the 1950s through the 1970s.

The program features several distinguished speakers. Dr. Alison Kreitzer, Director of Collections at the Eastern Museum of Motor Racing, will discuss the rise of fairground racing in America and how Waterloo's speedway fit into the larger story of grassroots motorsports. Motorsports historian Ken Parrotte will examine Maple Grove Speedway's history, highlighting its track, race cars, drivers, and the events that ultimately led to its closure.

The evening concludes with "Reminiscences of Maple Grove," a panel discussion led by Kip Zeiter, Public Outreach Coordinator for the International Motor Racing Research Center in Watkins Glen. Joining him will be Waterloo resident John Velte, whose father, Rollie Velte, raced at Maple Grove, and local dirt-track racing expert Chuck Brownell. Audience members are encouraged to share their own memories and stories.

Whether you attended races at Maple Grove Speedway or simply enjoy local history, this program offers a fascinating look at a landmark that played an important role in Waterloo's past.

The lecture is free, open to the public and will be held in Fatzinger Hall at the Waterloo Library & Historical Society.

For more information on these and other events hosted by the Waterloo Library & Historical Society contact 315-539-3313, waterloolib@gmail.com or check out our website www.wlhs-ny.com.
