From Pupil to Physician: Arnot Health’s Enriching Medical Education Program

A student physician’s journey doesn’t end when they walk across the stage and receive their diploma. The work of a doctor extends far beyond medical school, building their foundational education with real in-clinic experience through a medical residency program.

“We pride ourselves on having a close-knit community feel. I believe the Twin Tiers have, on the high side, a population of 200,000 people. You’re going to end up knowing families – parents, grandparents, and grandchildren. A lot of our residents who stay here keep their patients from residency. I have patients from my first year of residency, and I’ve been doing this for 10 years. It helps you develop a sense of community,” says Dr. Lewis Cabibi, Program Director of Family Medicine Residency at Arnot Health, a Member of Centralus Health.

Arnot Health’s program is small, fostering a warm, collegial atmosphere that supports and nurtures professionals who want to develop their medical careers.

“Family medicine has a feeling of connectedness, and that’s something our program can offer. Our residents are vested in our patients, their own education, and the education of other

residents. We truly are invested in making sure everyone does as well.”

This prepares medical professionals for their careers by gradually building the clinical judgment and confidence required to make high-stakes decisions on their own without added pressure from mentors or peers.

“We are moving away from the competitive baseline that medicine was known for 50 years ago. Our only goal is to help new generations of competent providers and the overall health of the patients.”

Medical residency is the essential bridge that transforms medical school graduates into competent, independent, and licensed practicing physicians. Arnot Health’s Family Medicine Resident program was ranked #5 in New York State out of 42 programs in the 2026-2027 Doximity rankings for outstanding reputation, research, and satisfaction. The facility was also recently named as a Top 25 hospital in the State of New York.

Arnot Health’s Graduate Medical Education offices are located at 600 Roe Ave., Elmira; 1001 Hoffman St., Elmira; and 555 St. Joseph’s Blvd., Elmira. Cayuga Health’s Residency Program office is located at 101 Dates Dr., Ithaca.

Dr. Cabibi guides eager residents through inpatient and outpatient clinical experiences from day one to graduation.

THE SENECA COUNTY AREA SHOPPER IS PRIMARILY IN THE BUSINESS OF PUBLISHING ADVERTISING AND COMMUNITY INFORMATION. However, from time to time we are asked to publish ads expressing political views. As a beneficiary of the great tradition of the First Amendment, we encourage the expression of opinion and therefore do not discriminate based on the content of those opinions. Neither do we adopt or endorse these opinions. On occasion, these opinions may be in questionable taste or may even provoke offense. As long time residents and business owners, we regret when our publication causes hard feelings among our neighbors. However, we take our First Amendment responsibilities seriously and we will continue to provide a forum for the expression of opinion. We encourage our clients to maintain civil discourse and respect for differing views especially when discussing issues of particular sensitivity. We hope that our friends and customers can respect our position.

BLAKEMAN

for GOVERNOR

Blakeman's plan promises broad tax relief, targeting income, property, and business taxes as part of an affordability push.

He has proposed no income tax on an individual's first \$50,000 of income, and the first \$100,000 of income on married couples. This will help struggling lower and middle income earners.

His proposal seeks to slash utility costs, which have climbed sharply across New York state in recent years.

A significant expansion of resources for police and public safety initiatives is central to his agenda.

He will set up a task force to review any infringement of our 2nd Amendment rights.

VOTE THIS YEAR TO MAKE A DIFFERENCE FOR NEW YORK STATE.

You can watch Bruce Blakeman debate Kathy Hochul on Thursday Night, 10/15/26 at 7:00PM on Spectrum News: <https://wgntv.com/news>

INTERLAKEN GUNS & AMMO

8268 Main St., Interlaken • 607-532-4867

After 22 years, with some regrets, we realize that it is our time to move on. We have met some amazing gun enthusiasts on our journey that we will not forget!

EVERYTHING MUST GO BY THE END OF THE YEAR!

We are selling everything at cost so that our customers can take advantage of the savings. (Note: we will take any reasonable offer to an owner of consigned items.)

We will still be doing special orders at a reduced rate of 6% over our cost at least until the end of the year.

We will also continue to do gun & ammo transfers, hunting licenses, and minor repairs. During this transition, we will not be doing any trades, consignments, or layaways. All items must be paid in full and leave the store. Everything will still have manufacturer's warranty and we will stand by anything that you buy here.

Open Monday, Wednesday, and Friday from 2:00pm to 7:00pm
